POSTAL REGULATORY
COMMISSION

Dear Sirs:

I am a tax paying citizen who is currently dismayed about the dismantling of postal services we need in our lives. We depend on reliable, honest, prompt postal service for our medications and much of our reading material and bills. We have voted absentee ballots most of our adult lives: 22 years with the United States Air Force and now in our retirement. To lose these essential services would be an extreme hardship. Excellent postal service is one item we don't mind paying for with our taxes.

Please stop the measures currently being implemented to impact regular mail delivery. Thank you.

Sincerely,

Mary Louise Montulli
